

## About CarSure

**CarSure** through its strategic alliance with a preferred car rental Company focus on solving the predicament of clients who experience loss of use of their motor vehicles due to a motor accident, as well as providing Warranty and Funeral Courtesy Car hire options.

## Objectives of CarSure

To contain the cost of car hire to insurers and the Insured

To offer added benefits to insurers for their clients

To offer the insured peace of mind

For the insured to enjoy uninterrupted use of a vehicle in the event of his vehicle being damaged or stolen

## Benefit to insurers

Guaranteed rental of a rental car from a reputable car rental company

No split billing for petrol

Insured pays a security deposit and if required, a delivery or collection fee

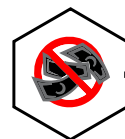

## Product benefits

Unlimited kilometers

Improves and reduces claim costs to eliminate variable costs to insurers

No additional charges

Insured has a choice of all car groups subject to the option permitted in terms of their policy

Reservation by insurers can be made per web, phone or email

Specific management rental reports supplied monthly to Insurers

A facility to clients of insurers nationwide

If insured's vehicle is not repaired or replaced within the maximum days permitted in terms of their policy the insured has the option to continue to rent the vehicle (on own account via a credit card) indefinitely at similar discounted rates

## Excess buy-down (waiver)

## Contact us on Whatsapp
